

The bouchon wine list was constructed with a singular focus: providing an authentic Santa Barbara Wine Country dining experience. Since 1998 we've sought balance between well-known and obscure, old standby and new favorite with a focus on the finest wines from California's South-Central Coast.

Santa Barbara has been producing wine commercially since the '70s and increasingly enjoys recognition for world-class wines. Elevation in quality has made possible a Santa Barbara list of sufficient depth & breadth.

Santa Barbara's wine country has several distinct growing areas: Santa Ynez Valley with the famous Santa Rita Hills on the coast, the Los Olivos District and Ballard Canyon in the center and Happy Canyon the furthest inland. Further north you'll find Los Alamos and Santa Maria Valleys up the coast.

As wine lovers, we enjoy wines from all over the world yet believe there is a lot to be said for a regional dining experience. Particularly exciting are the 'big three' in Santa Barbara—Chardonnay, Pinot Noir & Syrah—which are featured prominently on our list with their near-universal 'food-friendliness'.

Page 4 features great local wines by the glass, and your server is happy to make recommendations on how any pair with your menu selections. We invite you to relax and enjoy the best Santa Barbara has to offer! (And if none of this is really working for you, check out our affectionately titled 'Outsiders List', featuring California & French wines!)
