

This wine list was constructed with a singular focus: providing an authentic Santa Barbara Wine Country dining experience. It is comprised of the finest wines from California's South Central Coast. Since 1998 I've sought balance between

well-known and obscure, old standby and new favorite.

Santa Barbara has been producing wine commercially since 1970 and increasingly enjoys recognition for world-class wines. Elevation in quality has made viable a Santa Barbara County-only list of sufficient depth & breadth.

Santa Barbara's wine country has several distinct growing areas: Santa Rita Hills on the coast, Santa Ynez Valley and Happy Canyon 30 minutes north of Santa Barbara, Los Alamos and Santa Maria Valleys further north up the coast. Many wine experts contend that the Santa Rita Hills AVA, in particular, is perfectly suited— due to soil, proximity to the ocean and unique micro-climates— to produce the best pinot noir in all California... but you be the judge!

As a wine lover, I appreciate wines from all over the world. I also believe there is much more to be said for a dining experience that is truly regional than one that isn't. I chose a list that features the finest wines produced in our 'own backyard' to collaborate with local ingredients.

Particularly exciting is the fact that the 'big three' in Santa Barbara— Chardonnay, Pinot Noir & Syrah— are near-universal in their 'food-friendliness' and so featured here. I also see guests surprised by the quality and approachability of Viognier, Sauvignon Blanc, and more recently, Cabernet from Happy Canyon in the warmer, inland of Santa Ynez Valley. On the last page you will find thirty-plus wines featured by the glass. Please feel comfortable asking for recommendations on how they match up with your menu selections. (And if none of this is really working for you, ask your server for the affectionately-named 'Outsiders List'!). In the end, I believe a list that does justice to great Bordeaux, fine Burgundy, intriguing Alsations, alluring Italians and bit Aussies would have to be many times the size of this list to be 'proper.' So, instead, relax and enjoy the best Santa Barbara has to offer. Cheers!
