

This wine list was constructed with a singular focus: providing an authentic Santa Barbara Wine Country dining experience. It is comprised of the finest wines from California's South Central Coast. Since 1998 we've sought balance between well-known and obscure, old standby and new favorite.

Santa Barbara has been producing wine commercially since 1970 and increasingly enjoys recognition for world-class wines. Elevation in quality has made viable a Santa Barbara County-only list of sufficient depth & breadth.

Santa Barbara's wine country has several distinct growing areas: Santa Rita Hills on the coast, Santa Ynez Valley and Happy Canyon 30 minutes north of Santa Barbara, Los Alamos and Santa Maria Valleys further north up the coast.

As wine lovers, we appreciate wines from all over the world yet believe there is a lot to be said for a truly regional dining experience.

Particularly exciting is the fact that the 'big three' in Santa Barbara— Chardonnay, Pinot Noir & Syrah— are near-universal in their 'food-friendliness' and so feature prominently on our list. We enjoy see guests surprised by the quality and approachability of Viognier, Sauvignon Blanc, and more recently, Cabernet from Happy Canyon in the warmer, inland of Santa Ynez Valley, too.

On the last page you will find 30-plus wines featured by the glass. Please ask for recommendations on how they match up with your menu selections. (And if none of this is really working for you, be sure to check out our affectionately-titled 'Outsiders List!'). We invite you to relax and enjoy the best Santa Barbara has to offer!
