

This wine list was constructed with a singular focus: providing an authentic Santa Barbara Wine Country dining experience. It is comprised of the finest wines from California's South Central Coast. Since 1998 we've sought balance between well-known and obscure, old standby and new favorite.

Santa Barbara has been producing wine commercially since the 70s and increasingly enjoys recognition for world-class wines. Elevation in quality has made possible a Santa Barbara County-only list of sufficient depth & breadth.

Santa Barbara's wine country has several distinct growing areas: Santa Rita Hills on the coast, Santa Ynez Valley and Happy Canyon 30 minutes north of Santa Barbara, Los Alamos and Santa Maria Valleys further north up the coast.

As wine lovers, we enjoy wines from the world over yet believe there is a lot to be said for a regional dining experience. Particularly exciting are the 'big three' in Santa Barbara— Chardonnay, Pinot Noir & Syrah— featured prominently on our list with their near-universal 'food-friendliness'. Page 4 features great local wines by the glass, and your server is happy to make recommendations on how any pair with your menu selections. We invite you to relax and enjoy the best Santa Barbara has to offer! (And if none of this is really working for you, be sure to check out our affectionately-titled 'Outsiders List!')

### the concept

Fresh, local ingredients, prepared with care. Excellent wines that reflect the quality and character of our region and work in concert with the cuisine. Warm, inviting ambience with engaging service at a relaxed, leisurely pace.

### the food

Santa Barbara 'Wine Country Cuisine' means we source our ingredients using an 'as-fresh-and-as-local-as-possible' approach, with fish from the Santa Barbara Channel and produce from the surrounding countryside. We then take into account how these flavors can be presented in concert with our local wines. I believe you'll taste the difference and see how well they work together.

### the wine

We believe Santa Barbara is producing some of the finest Chardonnay, Pinot Noir and Syrah. Other locally produced varietals will surprise you with their quality, variety and approachability. Please ask your server for recommendations on how any of our multitude of wines by-the-glass match up with your selections.
